Kadur Budget

Memo

The D. T. Board of Kadur submits their Budget for 1901-1902 with a debit balance of Rs 4907, while under the existing orders there ought to be a credit balance of Rs 13,400 or $\frac{1}{4}$ of the annual receipts and states that they thoroughly scrutinized the items of expenditure under all heads, which do not admit of any reduction whatever. If the expenditure exceeds the receipts, the Board resolved to address the Govt for

(1) the establishment of toll gates on the following 3 roads, which are now maintained from D. F. The revenue expected from this source has not been stated. They the information be called for

(1) Kotegehen - Kalsa Road
(2) Cheekmagalur - Yedahalli road
(3) Shimoga - Yedahalli road

(1) Opening balance Rs - 3995
(2) Receipts for 1901-1902 = 53.600
Total Rs 49,605
(3) Expenditure for 1901-02 = 54,512
Closing balance Rs 4907

~~Receipts~~ ~~Expenditure~~

~~1899-00~~ ~~the begin~~

In 1899-00, there was a credit balance of Rs 2264. In the beginning of 1900-01, this was reduced to a debit balance of Rs (1268) Estimate and a further deficit of Rs 3995 is estimated for 01-02. The receipts do not shew any falling off, while the (1) expenditure shews an increase. ~~Please~~ How did the expenditure exceed the budget allotments in the previous years. Please put up a statement so as to shew side by side in what items the expenditure has increased and under what authority

(1) Village School Fund 24 p.c

(2) L. F. General . . . . 76 p.c

The appropriation of the sum now credited to Village School Fund does not appear possible, as the Inspector General of Education may object to the same, as he once requested to raise the percentage of local cess now credited to that fund. The transfer of item will reduce the revenue under L. F. Fund and will create a bad precedent,

From

To

The Secretary to the

General and Revenue Department.

Sir.

I have the honor to submit herewith for sanction the Budget Estimates of the District Funds of the Kadur Local Fund circle for the year 1901-1902.

2 In this connection I beg to state that the receipts under District Funds are too poor to meet its heavy demands under "Public Works" and "Cent Charges" as will be seen from the consolidated Budget Statement upon this each item of Expenditure was thoroughly discussed at the meeting of the District Fund Board and found that there is not a single item to be reduced. The

Budget -

Budget then stood in debt to an extent of Rs 4907/-. It was then unanimously resolved to seek Government aid

(1) by obtaining their sanction to the levy of tolls on the Kotigehar - Kalasa, Chikmagalur - Yedehalli, and Yedehalli - Shemoga roads.

(2) by requesting Government to make over the full Local Cess levied on Forests and Abkari of this District amounting to Rs 10,000/- as a grant-in-aid,

{As per Local Cess Statement for 1899-1900.

Forests	247-2-3
Abkari	9981-15-5
	10229-1-8

(3) to request the Municipal Boards of Kadur, Yedehalli and Mudigere to pay 1/3 rd cost of the Dispensaries maintained therein, as is being done in the other towns in view to enable them to wipe off the debit balance and to provide something annually towards the other new road and other works which have been recommended by the Board for some years past A copy of the Board's resolution accompanies this for the information of Government.

I beg therefore to request that you will be so good as to obtain the Sanction of Government to the above proposals

I have the honor to be

Order thereon. Do

The receipts of the Kadur Circle under the several heads are estimated at Rs 53,600 against Rs 57,512, the actuals of 1899-1900 and Rs: 52,000, the sanctioned estimate for 1900-1901.

2. "IV - Ferry Collections" The estimate (Rs: 500) under this head expects from ferries in the Koppa and Mudigere Taluks will be retained, subject to the submission of explanation as to why there has been a large decrease when compared with the actuals of 1899-1900 (Rs: 1364)

3. The estimated opening balance is given as

Rs: 3995/. against the
District Fund Board.
Deducting this from
the estimated revenue
of Rs: 53600, the sum
available for expenditure
during the year 1901-1902
is only Rs 49605, whereas
the proposed expenditure
exceeds this amount
by Rs: 4907. To wipe
off this deficit balance,
the Board request (1)
that the local cess on
Forest and Abkari
revenue amounting
to Rs: 10000/. may be
made over to them
(2) that they may be
relieved of 1/3 cost of
the Dispensaries at Kadur,
Yedahally and Mudgere,
delicting the same to the

Municipalities concerned and (3) that sanction may be accorded to the levy of tolls on the 3 roads referred to in the 2nd: of the letters read above. The first two proposals do not commend themselves to Government as the cess collections, are now being credited to the Local Fund, general and village. School Funds and as the relief to the Local Fund Boards by deducting 1/3 cost of the dispensaries to the municipal funds would not be considerable, while the Municipal Boards concerned are unable to bear the charge

The remaining proposal to levy tolls on certain roads should await the disposal of the general question of the introduction of tolls now ~~before~~ undergoing the consideration of Government. The Board's estimate based on the foregoing proposals cannot be taken into account in the present Budget.
